Under the provisions of the Notification of the Government of India in the Department of Finance and Commerce, No. 3120, dated the 18th September 1885, the public are informed that, from the 1st October 1885, all parcels, when presented at the window for despatch, should be accompanied by a simple receipt, ready filled up in the prescribed form. This will be signed and returned to the messenger. Forms will be given gratis by the Post Office, which will only grant receipts for parcels in future when the above conditions are complied with.

2. As at present, value-payable and insured articles need only be accompanied by the prescribed V. P. memoranda or insured declarations.

3. Firms that post many ordinary parcels or value-payable articles will be given books of receipts or V. P. memoranda on application.

4. Ordinary parcels presented without the prescribed receipts ready filled up will be forwarded, but no receipt will be given for them.

5. An acknowledgment from the addressee that the parcel has been duly received can be obtained on payment of one anna extra, as heretofore.

EXTENSION OF VALUE-PAYABLE SYSTEM, TO UNREGISTERED BOOK-PACKETS.

1. From and after the 1st October 1885, the Value-Payable system will be extended to unregistered book-packets, prepaid and unpaid.

2. Value-payable unregistered book-packets must be presented at the window, with a memorandum in the prescribed form containing the name and address of sender and the amount to be collected.

3. Booksellers and others, who require a certificate that the book-packet has been duly posted, can also obtain a certificate of posting, if presented ready written in a book or on a separate slip. The certificate should be simply a copy of the address on the book-packet, and should bear a half-anna stamp, which will be defaced and the certificate returned to the messenger.

4. The postage for an unregistered book-packet sent value-payable will be the same as for an ordinary book-packet. The value-payable commission will be deducted from the amount recovered from the addressee.

5. Value-payable unregistered book-packets will be delivered at the door of the addressee, and the money will be collected by the postman. Delivery of value-payable parcels and value-payable registered articles must, however, be made at the Post Office, as heretofore.

NOTIFICATIONS.

Simla, the 19th September 1885.

PARCELS TO BE PRESENTED WITH RECEIPTS READY FILLED UP.

Under the provisions of the Notification of the Government of India in the Department of Finance and Commerce, No. 3120, dated the 18th September 1885, the public are informed that, from the 1st October 1885, all parcels, when presented at the window for despatch, should be accompanied by a simple receipt, ready filled up in the prescribed form. This will be signed and returned to the messenger. Forms will be given gratis by the Post Office, which will only grant receipts for parcels in future when the above conditions are complied with.

2. As at present, value-payable and insured articles need only be accompanied by the prescribed V. P. memoranda or insured declarations.

3. Firms that post many ordinary parcels or value-payable articles will be given books of receipts or V. P. memoranda on application.

4. Ordinary parcels presented without the prescribed receipts ready filled up will be forwarded, but no receipt will be given for them.

5. An acknowledgment from the addressee that the parcel has been duly received can be obtained on payment of one anna extra, as heretofore.

EXTENSION OF VALUE-PAYABLE SYSTEM TO UNREGISTERED BOOK-PACKETS.

1. From and after the 1st October 1885, the Value-Payable system will be extended to unregistered book-packets, prepaid and unpaid.

2. Value-payable unregistered book-packets must be presented at the window, with a memorandum in the prescribed form containing the name and address of sender and the amount to be collected.

3. Booksellers and others, who require a certificate that the book-packet has been duly posted, can also obtain a certificate of posting, if presented ready written in a book or on a separate slip. The certificate should be simply a copy of the address on the book-packet, and should bear a half-anna stamp, which will be defaced and the certificate returned to the messenger.

4. The postage for an unregistered book-packet sent value-payable will be the same as for an ordinary book-packet. The value-payable commission will be deducted from the amount recovered from the addressee.

5. Value-payable unregistered book-packets will be delivered at the door of the addressee, and the money will be collected by the postman. Delivery of value-payable parcels and value-payable registered articles must, however, be made at the Post Office, as heretofore.

The 14th September 1885.

PARCELS TO BE PRESENTED WITH RECEIPTS READY FILLED UP.

Under the provisions of the Notification of the Government of India in the Department of Finance

and Commerce, No. 3120, dated the 18th September 1885, the public are informed that, from the 1st October 1885, all parcels, when presented at the window for despatch, should be accompanied by a simple receipt, ready filled up in the prescribed form. This will be signed and returned to the messenger. Forms will be given gratis by the Post Office, which will only grant receipts for parcels in future when the above conditions are complied with.

2. As at present, value-payable and insured articles need only be accompanied by the prescribed V. P. memoranda or insured declarations.

3. Firms that post many ordinary parcels or value-payable articles will be given books of receipts or V. P. memoranda on application.

4. Ordinary parcels presented without the prescribed receipts ready filled up will be forwarded, but no receipt will be given for them.

5. An acknowledgment from the addressee that the parcel has been duly received can be obtained on payment of one anna extra, as heretofore.

EXTENSION OF VALUE-PAYABLE SYSTEM TO UNREGISTERED BOOK-PACKETS.

1. From and after the 1st October 1885, the Value-Payable system will be extended to unregistered book-packets, prepaid and unpaid.

3. Booksellers and others, who require a certificate that the book-packet has been duly posted, can also obtain a certificate of posting, if presented ready written in a book or on a separate slip. The certificate should be simply a copy of the address on the book-packet, and should bear a half-anna stamp, which will be defaced and the certificate returned to the messenger.

4. The postage for an unregistered book-packet sent value-payable will be the same as for an ordinary book-packet. The value-payable commission will be deducted from the amount recovered from the addressee.

5. Value-payable unregistered book-packets will be delivered at the door of the addressee, and the money will be collected by the postman. Delivery of value-payable parcels and value-payable registered articles must, however, be made at the Post Office, as heretofore.

CHIEF COMMISSIONER OF AJMERE-MERWARA.

NOTIFICATIONS.

Adm. the 19th October 1885.

No. 1151.—The following rules are prescribed by the Chief Commissioner of Ajmere-Merwara, with the previous sanction of the Governor General in Council, under Section 4 of the Agriculturists' Loans Act, 1884 :—

PART A.

ORDINARY LOANS.

I.—The Chief Commissioner will inform the Commissioner what amount will be placed at his disposal for loans under the Act for each financial year. The Commissioner will divide this sum between Ajmere and Merwara at his discretion, and will have the power of transferring from the one tract to the other. But the whole expenditure in the two tracts will be kept within the total amount assigned. If an additional grant is required, it will be at once applied for, by telegram, if necessary.

II.—The rate of interest upon the loans will be one anna in the rupee, or 6½ per cent. per annum; but the Chief Commissioner may, for special reasons, make the loans at a lower rate of interest, or even without interest. A special application will be made through the Commissioner if it is desired to make loans otherwise than at 6½ per cent. interest.

III.—The dates fixed for instalments will not extend over more than ten years as a maximum. Loans for seed will ordinarily be repaid from the crop produced from the seed; and those for purchase of plough-cattle will ordinarily be repaid within two years.

IV.—The dates for payment of instalments will usually be the dates fixed for payment of the land-revenue, loans being recoverable* as arrears of land revenue.

V.—When loans are given without interest and are not repaid on the dates fixed, interest at the usual rate is chargeable at the discretion of the Collector from date of default; and when loans are given subject to interest, interest at a double rate, i.e., 12½ per cent., is chargeable at the discretion of the Collector upon all over-due instalments of interest, or of principal and interest.

VI.—When part of a loan made under these rules is found to be irrecoverable, a special report will be made to the Chief Commissioner.

VII.—Annual statements of loans and collections will be submitted, in the forms annexed, by the Commissioner to the Chief Commissioner on the 1st of June for the year ending on the preceding 31st March.

VIII.—Subject to the provisions of these rules, the grant of loans will be absolutely within the discretion of the Collector, but the allotment made for either of the two tracts must not be exceeded without the sanction of the Commissioner.

PART B.

LOANS TO OWNERS AND OCCUPIERS OF ARABLE LAND FOR THE RELIEF OF DISTRESS.

1. Loans for the relief of distress may be made to owners and occupiers of arable land to enable them and their dependents to subsist until the ripening of the next crop, in accordance with the preceding rules subject to the following modifications.

2. With reference to rules II and III, the loans shall be free of interest, and will ordinarily be repayable within a maximum of three years.

3. Subject to the general control of the Collector the loans may be made by the officer in charge of the relief circle or tahsil.

4. When the officer is satisfied, by enquiry made through the relief officer, tahsildar or otherwise, that a loan is necessary and will be repaid, he will order a loan to be given to the extent considered absolutely necessary, and will fix by written order the instalments by which it is to be given and repaid.

5. The loans will usually be given by instalments, monthly or every two months.

6. Payments of the loan sanctioned may be made in the presence of the officer ordering the loan or of the tahsildar, and shall be attested by the signature of such officer or tahsildar.

7. The loans are meant primarily for small land-owners, and as they are recoverable as land revenue, it will not generally be necessary to take security for them, provided that they are covered by the value of the recipient's property; but if they are not, the loan will not be given unless some sufficiently substantial person becomes surety.

8. The loans may also be made to occupancy tenants, provided that some sufficiently substantial person becomes surety.

9. Monthly returns of the loans will be prepared and submitted to the Commissioner, loans made for subsistence being kept separate from other loans.

Explanation.—For the purposes of the foregoing rules, the “Collector” means a Collector as defined in the Ajmere Land and Revenue Regulation, 1877.
